Canada's State of Emergency – Pam Palmater Ted Talk Ryerson University:
<https://www.youtube.com/watch?v=Ird4848Q064>
Through her talk, "Canada's State of Emergency and How We Can Protect our Collective Futures", Pamela Palmater speaks about the impact that the modern lifestyle has had on the environment and the way the hundreds of years of colonial history within Canada are still echoing today. She discusses solutions to moving together in solidarity with one another for a world that cares for the land, one another and future generations. Pamela aims to unroot the echoes of the past by shedding new light on matters concerning her research.
